### Next Steps

Bricker | Graydon

Determine the process necessary to approve the policy by the deadline.

o Does your Board need to approve? If so, can they schedule a meeting over the summer?

o Does any other group on campus need to approve (e.g. Faculty Senate) based on your policy approval requirements? If so, what is the timeline? Gather your stakeholders – Board members, faculty, staff, students, community members?

Get feedback on what choices might fit your community best Make decisions about the options you will exercise in your policy. Work with counsel to integrate your choices—and your ethic of care—into the policy.
