Growing your endowment fund increases your impact over time and is easily done by making annual investments and designating them to the fund's principal balance.

Year	Investment	Total
2015	\$10,000	\$10,000
2016	\$10,000	\$20,000
2017	\$10,000	\$30,000
2018	\$10,000	\$40,000

Example of how an endowment fund grows over time with annual investments of \$10,000 per year.

Endowment funds are a critical part of a university's financial strategy. They provide a steady stream of income that can be used to support a wide range of programs and services. By making annual investments and designating them to the fund's principal balance, you can help ensure that your university has the resources it needs to continue to grow and thrive.
